

**AOSC 433/633 & CHEM 433 Atmospheric Chemistry and Climate
Student Survey, Spring 2015**

Please be anonymous! We prefer to not know who is providing any particular statement, either positive or negative.

Feel free to type in your reply using the Word format of the survey or type into the PDF file, if you have a capability to edit PDF files. Or, feel free to ask a friend to transcribe your reply so that we could not possibly recognize your hand writing 😊

- 1. Are you enjoying this class?**

- 2. What do you like most about this class?**

- 3. What do you like least about this class?**

- 4. Do you feel the first exam was “fair”? If not, please state why.**

- 5. Please suggest improvements to course content, lecture style, problem sets, etc that you would like to see implemented.**
